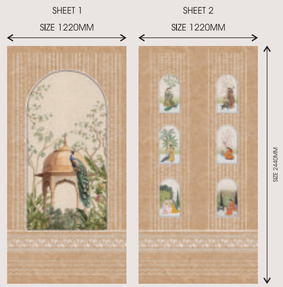
Designed for **Dual Use**
Trim It or Use It As It Is.



Let's Understand how to Install Sheets Seamlessly

Our seamless laminate collection is designed with precision cutting marks placed on all four sides of the sheet. Simply follow the cross marks while cutting and align the laminates accordingly during installation.
This ensures perfect pattern continuation from one sheet to another, creating a smooth, invisible joint.
The result is a boundless, uninterrupted finish for walls and furniture where multiple laminates appear as one continuous surface.
