

The **punchline** *series*

The Mark of *Sophistication*

Only for interior and vertical use. Horizontal use & use in humid environments are limited. All standards base material like plywood, block board, MDF etc. used for laminates are also suitable for Meridian laminates. Just like all normal high pressure laminates, Meridian laminates can be sawn, drilled and milled using carbide tipped cutting tools.

Size : 2400mm x 600mm

Thickness : Standard production of 1.0mm to 1.5mm

Customers and designers rely on our exclusive inventory and knowledgeable staff.

MERIDIAN is available in Pan INDIA through our distributor network, so you can receive panels quickly, easily & affordably.

We look forward to working with you on your next project
