CUTTING RECOMMENDATIONS

For precise cutting of fabric or leather laminates, we recommend using a 40-tooth Diamond Cutter Blade. Opt for Diamond cutting tools for best results.

CHOICE OF ADHESIVE

You have the flexibility to choose between ProBond adhesives according to your preference.

IMPORTANT NOTES

- No guarantees or exchange under any circumstances.
- Color variations may occur between material batches.
Using the same batch material is recommended to maintain consistent colors.
- The actual color of the laminate sheet may differ from this brochure due to factors such as high humidity, plywood with high moisture content, uneven surface of

Thank you
