The logo features the word "Sutton" in a large, elegant, silver-colored script font. Below it, the words "Premium Fabric Louvers" are written in a smaller, silver-colored, all-caps sans-serif font. The text is centered on a dark teal background with a fine, pebbled texture. Two thin, white, curved lines sweep across the background, one from the top left and another from the bottom left, framing the central text.

For additional details and sample requests, please contact us.

IMPORTANT NOTES

- No guarantees or exchange under any circumstances.
 - Colour variation may occur between material batches. Using the same batch material is recommended to maintain consistent colours.
 - The actual colour of the laminate sheet may differ from this brochure due to factors such as high humidity, plywood with high moisture content, uneven surface of the substrate, inferior adhesive quality, or insufficient pressure during bonding. Please note that any delamination or applying the sheet won't be addressed, as these issues often result from inadequate pressing during the application process.
