

Ubuntu Laminates

An Art Laminates Series

Product Catalogue

Introducing the Ubuntu Laminates a next-generation interior surface solution that blends European innovation with Indian craftsmanship. Crafted with a high-performance PVC backer and laminated with premium imported Spandex from a Scandinavian country, this panel redefines flexibility, durability, and aesthetic appeal. Designed for modern living and creative interiors, it is India's first of its kind—bendable, rollable, and resilient, without compromising on style.
